Rubico's India LinkedIn Page Is Now "Rubico in India"

Rubico is bringing its LinkedIn presence under one consistent brand. As part of this, the LinkedIn Page for Rubico's India team, previously named "Rubico", will now be represented as **"Rubico in India."**

- **Rubico in India** (Rubico's India presence): https://www.linkedin.com/company/rubicoitpvtltd/
- **Rubico** (main company page): https://www.linkedin.com/company/rubicoinc/

What isn't changing: It is the same company and the same page, with the same followers and updates, and the same commitment to quality and partnership that our clients trust us for. The new name simply makes it clear where to follow our India team's news, culture and careers.
